## Additional coverage options

### Spouse term life rider

Cover your spouse up to a maximum death benefit of \$50,000; 10-year and 20-year spouse term riders are available.

### Juvenile whole life policy

You can purchase a policy while children are young and premiums are low – whether or not you buy a policy on yourself. You may also increase the coverage when the child is 18, 21 and 24 without providing proof of good health. The plan is paid-up at age 70.

### Children's term life rider

You may purchase up to \$20,000 in term life coverage for all of your eligible dependent children and pay one premium. The children's term life rider may be added to either your policy or your spouse's policy – not both.

### Accidental death benefit rider

The beneficiary may receive an additional benefit if the covered person dies as a result of an accident before age 70. The benefit doubles if the accidental bodily injury occurs while riding as a fare-paying passenger using public transportation, such as ride-sharing services. An additional 25% will be payable if the injury is sustained while driving or riding in a private passenger vehicle and wearing a seatbelt.

### Chronic care accelerated death benefit rider

If a licensed health care practitioner certifies that you have a chronic illness, you may receive an advance on all or a portion of the death benefit, available in a one-time lump sum or monthly payments.<sup>2</sup> A chronic illness means you require substantial supervision due to a severe cognitive impairment or you may be unable to perform at least two of the six Activities of Daily Living (bathing, continence, dressing, eating, toileting and transferring). Premiums are waived during the benefit period.

### Critical illness accelerated death benefit rider

If you suffer a heart attack (myocardial infarction), stroke or end-stage renal (kidney) failure, a \$5,000 benefit is payable.<sup>2</sup> A subsequent diagnosis benefit is included.

### Guaranteed purchase option rider

If you are age 50 or younger when you purchase the policy, you can add the rider, which allows you to purchase additional whole life coverage – without having to answer health questions – at three different points in the future. You may purchase up to your initial face amount, not to exceed a total combined maximum of \$100,000 for all options.

### Waiver of premium benefit rider

Premiums are waived (for the policy and riders) if you become totally disabled before the policy anniversary following your 65th birthday and you satisfy the six-month elimination period. Once you are no longer disabled, premium payments will resume.

<sup>1</sup> Loan should be repaid to protect the policy's value.

<sup>2</sup> Any payout would reduce the death benefit. Benefits may be taxable as income. Individuals should consult with their legal or tax counsel when deciding to apply for accelerated benefits.

## EXCLUSIONS AND LIMITATIONS

If the insured dies by suicide, whether sane or insane, within two years (one year in ND) from the coverage effective date or the date of reinstatement, we will not pay the death benefit. We will terminate this policy and return the premiums paid without interest, minus any loans and loan interest to you. Product may vary by state. For costs and complete details of the coverage, call or write your Colonial Life benefits counselor or the company.
