Your employer works hard to provide you with the resources you need in the workplace. But personal financial worries can get in the way of your productivity.

In fact, 81% of workers say that financial problems have affected their productivity.<sup>1</sup> With more than three-quarters of employees feeling this strain, it's normal to want some assistance.

That's why we're providing access to this valuable program, which can help you set goals — and be successful in achieving them.

## Our service solution

Colonial Life has partnered with Knowledge of Financial Education, or KOFE, a corporate financial wellness program created by Consolidated Credit. Consolidated Credit is one of the largest non-profit credit counseling agencies with more than 20 years of expertise.

While some companies only provide financial education and others only offer counseling, you can have both. And it's available at no direct cost to you. To gain access to these services, simply attend a 1-to-1 benefits counseling session with a Colonial Life benefits counselor. In addition to better understanding your available benefits, you'll get a variety of resources to help improve your financial situation:

- **Financial coaching** – Unlimited access to highly trained senior certified credit counselors by calling 866-932-4185
- **Online tools** – Access to 100+ videos, books, budgeting tools and more, all easily accessible at [ColonialLife.com/KOFE](http://ColonialLife.com/KOFE)
- **Webinars** – Educational sessions throughout the year on a variety of topics
